Interest in our refinery

Over 40 potential customers are interested in leasing the tank farm in our refinery, this is mainly due to the big price drop of oil. We all know the prices will skyrocket back soon, so this is a smart move, the big question is: Will Aruba make a move before we miss the bus on this? if so how long will they be leasing this for? Right now looking at our economy some work is better than no work!

Drive Inn Theater Is Coming Back !!!

We all can remember filling up your car with family and friends to go drive in to enjoy some fun family time, well it's coming back again! The restart back of drive inn was requested for a long time, and the owners saw this as the best time to do so. So get ready Aruba!
